## Regrarian Platform 2 day Workshop Information and Application Pack

---

### Information

This workshop will be held over two days and is for people who have a demonstrated interest in applying regenerative farming principles to working their properties. Day 1 will cover whole-systems farm design and Day 2 features an on farm practical planning session. Participants will build their knowledge and skills to use the Regrarian Platform and kick-start plans for their own property. Post workshop support is available via Terra Perma online resources.

Day 1 will be held at the Landcare SJ centre in Mundijong and run from 10am to 4pm

Day 2 will be held on a farming property within the SJ Shire, and a venue suitable to undertake planning. Day 2 will run from 10am to 2pm.

For background information about the topic please visit: <http://www.terraferma.com.au> and <http://oaktreedesigns.com.au>

### Seat Holding Fee

This event will attract a seat holding fee of \$100 payable upon registration for the event. It will be refunded upon registration of attendance on the day of the event.

Because of the high value of this event, we want to do our best to ensure that people who come along are well placed to put the information to good use in the practice of regenerative farming. Hence an application to attend is requested.

### Eligibility

Successful participants will show a demonstrated interest in regenerative farming e.g. participation in a previous regenerative farming workshop/course (e.g. Joel Salatin, Darren Doherty, Developing Productive Soils)
